

CoolTone® consultation checklist

Here are some questions to ask your provider:

- How many CoolTone® treatments do you think I'll need to achieve my desired results?
- How long will each treatment take?
- Is there any downtime?
- Are there any restrictions on activities after treatment?
- When can I expect to see results?
- How long will the results last?
- Will CoolTone® hurt?
- What are the risks of CoolTone®?
- What are the possible side effects?
- What can I expect to pay?
- Are payment plans available?
- Is CoolTone® covered by my insurance?
- How do you ensure patient satisfaction?
